

# BIPIN PAL

STUDENT

## CONTACT

Phone: +91 9325764260

Email: palbipinkumar9325@gmail.com

LinkedIn: <https://www.linkedin.com/in/bipinpal9325/>

Github: <https://github.com/bipinpal9325>

Location: Prayagraj, India.

## SKILLS

**Languages:** Python, C/C++, Java, JavaScript

**Web Dev:** HTML, CSS, JavaScript MERN (MongoDB, Express.js, React.js, Node.js), Tailwind, Bootstrap, EJS.js, REST APIs, MySQL, Socket.IO

**AI & ML:** LangChain, Ollama, TensorFlow, OpenCV, Pandas, NumPy, Matplotlib, NLP, GenAI

**Tools & Platforms:** Git/GitHub, Linux, Windows, Cloudinary, Render

## EDUCATION

Bachelor of Technology (CS - AIML)

**United College of Engineering  
and Research, Prayagraj**

2022-2026

Avg CGPA - 7.1

Current Sem - 7

10 + 2

**R.C Maruti High School &  
Jr. College, Mumbai**

Finished - 2022

12th Grade - 63%

10th Grade - 68%

## PROGRAMMING LANGUAGES

## PROFILE

Passionate web developer and software engineering enthusiast, currently building impactful projects in Gen AI and full-stack development. Experienced in the MERN stack, machine learning, NLP, and data structures. Focused on crafting scalable, AI-driven solutions with clean, user-centered design.

## EXPERIENCE

### Web Developer Intern

Bharat-Intern | Oct 2025 – Present

Working on the frontend using the Astro framework to develop a fully functional, responsive website.

Collaborating with a cross-functional team, gaining experience in industry-level software design and development workflows.

## PROJECTS

### Intellexa.ai

**Technologies Used:** React, TailwindCSS, PostgreSQL, Node.js, Express, MongoDB, Clerk

2025

Developed and deployed my conference, a feature-rich platform with secure authentication, video calls, screen sharing, chat, and responsive design.
